**INCORPORATED IN 1922**

### **Village of Evans Mills Water Customers, We Need Your Help!**

The Village of Evans Mills Water Department is conducting an inventory of lead service lines throughout the Village as a part of a New York State Department of Health Regulation. We need to have 100% of our service lines inventoried by October 2024. To assist us, you as a homeowner can use this guide to identify the type of water service line that comes into your home.

#### **Instructions**

1. Water Service lines are typically found in the basement. Look for a pipe that comes through the outside wall of your home or floor of your basement. It may have a meter or a shut off valve.
2. Carefully scratch the pipe (like you would a lottery ticket) with a key or a coin. Do not use a knife or other sharp tool.
3. Or place a magnet on the pipe.

<b><u>Copper Pipe</u></b>	<b><u>Galvanized Steel Pipe</u></b>	<b><u>Lead Pipe</u></b>
<ul style="list-style-type: none"><li>• Magnet will not stick.</li><li>• Scratched area is copper color</li></ul>	<ul style="list-style-type: none"><li>• Magnet sticks to surface</li><li>• Scratch test not needed</li></ul>	<ul style="list-style-type: none"><li>• Magnet will not stick.</li><li>• Scratched area is shiny silver.</li></ul>

Once you have determined what type of service line that you have, you can email the Water Department at [EvansMillsLineInventory@gmail.com](mailto:EvansMillsLineInventory@gmail.com). **Please include your property address in the subject line, in the subject line and in the Email include a photo and what type of service you have and if it's copper, lead or galvanize.**

**If you're not sure what kind of line you have, you can send a picture where your service line comes into your house. Also, we can come to you anytime during the hours Monday–Thursday, 7am – 2:30pm and Friday, 8am – Noon. Please call the Village Superintendent, David Edwards, at 315-783-6584 to schedule.**

We appreciate your cooperation in helping this process.

If you have any questions, you can call the Village Office at 315-629-4753 X 1.

**IF YOU SUBMITTED TO THE WATER LINE SURVEY ONLINE IN JUNE-SEPTEMBER 2023,  
PLEASE DISREGARD THIS DOCUMENT.**
